**Downy Wrinkle Releaser works great with ironing tool!**

- Smoother looking and feeling ironing results
- No stiffening from starch
- Wrinkles stay away longer after ironing with Downy Wrinkle Releaser

**Works on virtually all fabrics!**

- Works great on casual clothes such as t-shirts, polo shirts, khakis.
- Works on many dry cleanables too, such as silk jackets, skirts, dresses.
- On fabrics which may waterspot (such as silk, rayon), test a small area of fabric that cannot be seen.

**Tested safe for skin**

**Tips to reduce drying time:**

- Spray fabrics with an even sweeping motion until lightly damp - not wet.
- Pull the spray trigger all the way back.
- Treat clothes with Downy Wrinkle Releaser the night before you plan to wear them. By morning, they'll be dry and ready to wear.
- Spray on garment and then tumble dry briefly (e.g., 10 minutes) on low heat for quick de-wrinkling. Take garment out immediately when tumbling is finished.
- You can also use a hair dryer to quickly dry clothing you need to wear immediately.
